

SAND VALLEY GOLF RESORT

Sand Valley's Championship Course extends over 80 hectares of the picturesque Polish countryside. Rated by Golf World as A TOP 100 Course in Europe it is the Home for the Lotos Polish Open of 2013 and 2014 (a Pro Golf Tour event). The resort offers an 18-hole championship course (par 72), 6 holes par 3-course, a roofed 20-bay driving range, and a large practice putting green.

The Tilander-Ristola's co-designed Inland Links layout offers wide rumbling fairways and challenging green sites that are the foundation for an exciting round of golf. Everything is tied together by the vast waste bunkers, clever routing, and 18 memorable holes that all have their own story to tell.
